

You're invited to help decide . . .

# THE FUTURE OF CENTRAL WINDER

---

The Livable Centers Initiative study will review existing conditions in central Winder and, with input from community stakeholders like you, develop a long-term vision for the future.

Public Kickoff Meeting  
Thursday, August 27, 2009  
6:00 - 7:30 p.m.

*Learn about how the planning process will work, how you can get involved, and some principles of good community design that you may want to see used in Winder.*

Community Workshop  
Wednesday, October 7, 2009  
6:00 - 9:00 p.m.

*Roll up your sleeves and join neighbors, community leaders, city officials, and others as we brainstorm solutions for the future.*

All meetings held at the Winder Community Center at 113 East Athens Street in downtown Winder.  
Your participation is important for the study's success!
